Annual Science Day of Nalanda College

INFINITAS '26

Inter-school Quiz Competition

Guidelines & Regulations

Organized by Nalanda College Science Society

Registration and Confirmation

- Schools must register their teams on the official website to participate in the competition organized by Nalanda College.
- The Quiz Captains will send a confirmation via WhatsApp within three days, and teams should contact them if it is not received.

Team Structure and Rules

- Teams must consist of **five students from Grades 12 and 13 following Biological or Physical Science streams.**
- Each member **must represent a different subject among Biology, Combined Mathematics, Physics, Chemistry, and ICT**, with the team leader taking full responsibility.
- Any changes to team members must be notified to the Quiz Captains at least three days before the first round.

Competition Structure

Phase 01

An online quiz open to all registered teams, with performance determining qualification for the next stage.

Phase 02

The top six teams from first round will face a physical quiz round at Nalanda College.

Phase 03

The live final battle round held during the Annual Science Day between the top two teams from round 2.

Online Round Guidelines

- The first round takes place via Zoom, and all members must join fifteen minutes before the start time.
- Participants will receive instructions and move into subject-specific breakout rooms after a briefing.
- Contestants must log into the official website using a unique, non-shared code corresponding to their school and subject.

Competition Regulations

- Contestants must answer fifteen multiple-choice questions within the allocated time of two minutes per question, and all questions must be answered within this time frame without exception.
- Keeping the video and microphone turned on is mandatory throughout the session, and cameras must be positioned to show the contestant's face, shoulders, and both arms.
- All team breakout rooms will be recorded for official confidential verification purposes.
- Contestants must not engage in any fraudulent activity, such as opening other tabs, using AI software, seeking physical or external assistance, or discussing answers, as everyone appears individually.
- Participants must behave in a manner that does not disturb other contestants while providing answers, and any misbehavior will result in disqualification.
